## PFAFF EDUCATION EVENT

Mark your calendars for June 21 and 22 when Pfaff Educator Carrie Philpott will be at Bob's to teach us about the new creative icon 2. Information about cost, location(s) and registration are TBD at this time. Keep an eye on [www.bobssewnvac.com](http://www.bobssewnvac.com), and our Facebook and Instagram pages for the earliest updates!

## MACHINE USAGE LESSONS

Our instructors are available during regular store hours to show you how to use your sewing machine. We cover threading, winding and inserting the bobbin, selecting stitches and cleaning/maintenance. Usage lessons are free and unlimited if the machine was purchased at Bob's.

**You must register in advance for a usage lesson.** Please call one of the stores to register.

If you did not buy your machine from Bob's, the cost for usage lessons is \$25 per hour and up, paid to the instructor, depending upon the complexity of your machine.

On the day of your lesson, bring your machine, power cord/foot control, instruction book and all the small accessories that came with your machine. Please call us if you have to cancel.

## MORE FABRIC STILL ARRIVING!

This is 100% cotton, high quality quilting cottons from manufactureres such as Michael Miller and Benartex for only \$8.99/yard! We also have a selection of 108" wide cotton backing fabric for only \$12.99, and 100% bamboo 96" wide batting for only \$15.00/yard!

Note: At this time, fabric is only available at the Alameda Store.

## LONGARM GROUP

Our in-person April meeting will be on Saturday, April 9, 10am at the Alameda Store.

As "homework" for the meeting, please make sure you can install the ruler table and/or ruler foot on your machine. Also bring your ruler kit, and you will want a fabric marker of some kind.

We will begin with Lesson 1, parts 1 & 2 of Leoni West's "Quilt as you go" series. This series is geared towards home machines and quilting small pieces at a time, but the techniques she is showing with rulers are great.

I will focus our class toward the longarm. If you don't have the kit, bring a longarm ruler with a straight edge.

Don't forget show-and-tells!

To join our group, please email Diane at [bobssewnvac@gmail.com](mailto:bobssewnvac@gmail.com) as soon as possible in order to be "in the know."

## PROJECT LINUS

Come and join Bob's Blanketeers as we have an All Day sewing day. Spend the day with a terrific group of volunteers who provide blankets to help keep New Mexico's children warm and comforted. You do not need to be a Project Linus member, it will just be a day of fun sewing and socializing. We will have a variety of precut kits for you to sew. Bring your lunch or you can get lunch nearby. We will have iced tea, water and snacks. SEW grab a friend, your lightweight machine and join us for a fun day. There will also be drawings for "goodies".

WHEN: Saturday April 23 9:30-4:30 or whenever you can join us

WHERE: Bob's Sew & Vac (Westside)

Any questions please call Linda Crowden 808-280-3619
