LONGARM GROUP

Our in-person April meeting will be on Saturday, May 14, 10am at the Alameda Store.

We will continue with Lesson 1 of Leoni West's "Quilt as you go" series. This lesson will show us what we can do with the curved side of the ruler we used last time. Also, Diane learned of another neat design with the straight edge that she will show you.

I will focus our class toward the longarm. If you don't have the kit, bring a longarm ruler with a curved edge.

Don't forget show-and-tells!

To join our group, please email Diane at bobssewnvac@gmail.com as soon as possible in order to be "in the know." There is no charge for this group and all longarm owners are welcome.

PROJECT LINUS

Project Linus had their first All Sew Day in April. It was fun for all. Lots of new people to meet, great tips and tricks shared by all and lots of yummy treats to eat. Don't sew but want to get out and enjoy some socializing, join us, always need help cutting, ironing or playing with blocks to lay out quilt kits. Any questions???
