SERGER CLUB

The Serger Club will meet at the Alameda location on the third Saturday, of every month (September 17th), from 10:00 to 12:00. The cost of each class is \$10.00 which must be prepaid. A supply list will be sent to participants via email.

Participants with all levels of serger experience and those who may be interested in learning about what sergers can do are encouraged to attend.

For the next 3 months the class will be working on creating a beautiful place mat using different stitches and pretty threads.

Currently the class is full so if you are interested call and you will be put on our wait list.

LONGARM GROUP

Our next in-person meeting will be on Saturday, September 10, 10am at the Alameda Store. A zoom link will be sent out with the email announcement.

We will continue with Lesson 3, Part 1 of Leoni West's "Quilt as you go" series. This lesson uses the Spinning Wheels #36, 12" Arc Template, and Spacing Gauge.

I will focus our class toward the longarm. If you need the kit, we have some available. Don't forget show-and-tells!

To join our group, please email Diane at bobssewnvac@gmail.com as soon as possible in order to be "in the know." There is no charge for this group and all longarm owners are welcome.

BEGINNERS' SEWING CLASSES

Adult Beginners Sewing Classes will be offered at the Alameda Bob's Sewing and Vacuum Store on the third Tuesday and third Wednesday of the month. Classes will be available on an individual basis, by appointment only, for \$35/hour. Instructors Tammy Mendez and Roberta Ferran will work with clients to learn and practice basic sewing techniques including, but not limited to:

- * how to use a sewing machine
- * how to select sewing patterns
- * how to read and work with sewing patterns
- * how to prepare fabric
- * and how to accomplish basic sewing techniques such as buttonholes, zippers, sleeves, hems, facings, etc.

Participants are encouraged to use their own sewing machine, provided it's in good working condition, and must provide their own sewing equipment, supplies and materials. Individuals who do not have a machine can make arrangements with the instructor to borrow a machine during class time.

Bob's services new and used longarms from most manufacturers. Bob's sells new longarms from HandiQuilter, Bernina, Varsity and Janome. We are the premier dealer of longarm machines in New Mexico.
