

2024 MOADN CANDIDATE PROFILE

Nominations Committee Candidate

Name: Dr. Stephanie Roberts

Current Employer: William Carey University

Title/Position: Assistant Professor/Simulation Director

Personal Statement of Candidacy: (Include your goals for this office)

My goal for this office is to streamline the secretary position by finding and transferring to a document repository so files can be archived for future reference. I will maintain accurate records and distribute minutes to board members in a timely manner. Another goal that I would like to achieve as secretary is to assist in developing a yearly calendar for the board that can be set so everyone is aware of when the board meetings are called. I would be honored to be considered for the MOADN Secretary position.

Brief Summary of M-OADN/OADN involvement:

Current Treasurer for MOADN

Active Member in OADN
