## AGENT REWARD\$ PROGRAM

We like to reward our agents for trusting us with their transactions and keeping our TCs busy, and paid, and our TCs like that too!

### How this works:

- Be a Josh's TC Services client
- Successfully close FOUR transactions in a given month (based on individual closings, not team combined), and processed by your assigned TC through Josh's TC Services
- Receive a \$50 Visa gift card, after all qualifying transaction invoices have been paid (within 15 days of closing)

The more transactions you close in a given month, the more **free money** you will receive in return. Example, close eight transactions in a given month, pay all eight invoices as indicated, receive TWO \$50 Visa gift cards.

Simple as that. Spend it how you want – treat yourself or a loved one, your client, or use it to PAY IT FORWARD.

No matter the what – it's a win, win for everyone!
