MIDLAND FUNDRAISING FAQ

- **How are my friends and family able to support me?**

On the front of your packet, there are steps to create your child's online store. When sending your seller link to family and friends do not forget to also send them the seller ID. That is how they will be able to directly order from your child.

- **Do packets need to be returned to school with my child?**

No-Packets were distributed to help with setting up your child's online store. The included brochures will be seen on your child's Online store once the seller ID is entered in.

- **Do I need to collect any money for sales?**

No money for sales will need to be collected. The fundraiser is designed to have our supporters pay online and get items shipped to their doorstep directly.

- **Who can be contacted if someone has an issue with an order placed?**

Midland's Customer Service number is 800-211-5978, they also can be reached by filling out a contact form on <https://midlandfundraising.com/new-contact/>
