April 2023

Kindergarten Koalas

“In the beginning, God created the heavens and the earth.”

Genesis 1:1

What's Happening This Month?

Phonics: We will moving on to digraphs in phonics next month. These include th, oo, ch, a-e, o-e, e-e, i-e. We will also be learning the sight words “they” and “who”.

Math: We will continue to learn the names and amount of coins and will include the quarter and dollar this month. We will learn 2 more three-dimensional shapes, the sphere and the cone. We will also spend time on beginning addition “some, some more” stories, using tangrams, counting by 2's, and learning even and odd numbers to 10.

Social Studies: Social Studies will focus on learning about the countries around the world. Our focus will be on Indonesia, Vietnam, Greece, Australia, The Netherlands, Nigeria, and South Africa.

Science: Science will be all about animals! We will have fun learning about the life cycle of frogs and butterflies, we'll have an introduction to nocturnal animals, and we will learn about and celebrate Earth Day.

Special Dates To Remember:

3rd - 7th: Spring Break - No School

The Week of the 17th: Art Show

Here's the Scoop on Specials with Ms. Beth

You know, I can tell that spring is here. The "yellow haze" has returned. That's right, it's time for the shower of pollen! And the itchy eyes, runny nose and all of the fun that goes with it. Here's hoping that we will get some rain to wash this mess away.

Music

We are all working very hard to get ready for the Spring Music Programs and Kindergarten Graduation. Please go ahead and mark your calendars! The program will be on Wednesday, May 17th at 11:30am. Our spring program will be similar to the Christmas program with each class learning their own special songs. In this newsletter, I am including one of my favorite children's songs. It is one that we sing pretty regularly at preschool and is one of the most profound truths you will ever hear.

"Jesus Loves Me"

Jesus loves me, this I know,
For the Bible tells me so.
Little ones to him belong,
They are weak, but He is strong.

Yes, Jesus loves me,
Yes, Jesus loves me,
Yes, Jesus loves me,
The Bible tells me so.

Wishing you all a restful Spring Break with your families.

Storytime with Jesus

We learned a lot about Noah in March. We talked about how first Noah had to listen to God and then choose to obey. We also talked a lot about what it must have been like on the ark (we decided it was pretty smelly).

For the month of April, we will be talking about the Easter story. We will read about Palm Sunday, the Last Supper, Good Friday and Easter Sunday. We will talk about how Jesus must have been feeling on those days and how the disciples felt as well.
