\*Registration fees are charged for CME-certified events. The Tuition Remission benefit may be used by regular UNM employees to pay for event registration, resulting in no out-of-pocket cost. Attendance to these events by UNM or HSC affiliated preceptors, volunteer faculty, residents, fellows, post-doctoral fellows, and students is sponsored by the Office of Education; these individuals will not be charged for registration. The registration deadline for CME certified workshops is two weeks before the event.
