

Built in 1915, this two-story craftsman-style home with fascinating history was meticulously restored to its original beauty with added modern amenities and convenience. Preserved and restored original wood floors, wood trims, and shiplap walls are now combined with high-end upgrades and comfort features. This home is exquisitely furnished with both high-end and antique pieces, with four bedrooms decorated in a Four Elements theme (Air, Water, Earth, and Fire).

The fully equipped brand-new kitchen boasts high-end stainless-steel appliances, including a French door refrigerator, separate wine refrigerator with beverage section, convection microwave, stove gas cooktop, large oven, and super quiet dishwasher. The gorgeous copper vent over the cooktop combined with the original brick chimney adds old charm and a cozy atmosphere. We also provide a washer and dryer, small appliances, such as a food processor, 4-slice toaster, electric boiler, and two different coffee makers. A variety of coffee, tea, snacks, and breakfast cereals - all individually packaged for quality and safety. For your convenience, we stock up the refrigerator with bottles of water. The huge dining room features a large solid wood dining table with plenty of space to hang out and enjoy your breakfast with a cup of coffee.

The living space is equipped with plush seating arrangements as well as a 75" smart TV in the living room and a smaller TV in the bunk bed bedroom. High-speed WIFI will allow you to use any number of your own devices without slowing down the internet.

For a great night's sleep, we equipped four bedrooms upstairs with the highest quality plush mattresses, super soft ultra-comfortable and hypoallergenic linen, the highest quality Tempur-Pedic gel pillows, as well as several additional pillows to use. Each bedroom is equipped with slip-on LED lamps suitable for business travelers who need to catch up on projects.

Two newly updated bathrooms upstairs feature a deep, cast iron clawfoot soaker tub in the first one and a marble tile shower in the second. We also have a brand-new bathroom with a walk-in shower downstairs, as well as a super cute half bath under the staircase on the first floor. Bathrooms have all the necessities, including a selection of great quality towels, lighted 10x mirrors, shampoo, conditioner, body wash, soap, individually wrapped makeup remover pads, loofahs, body lotion, toothpaste, bath salts, and facial emollient masks for your relaxing bath time!!

Two gorgeous porches and a spacious, breezy balcony will become your favorite the moment you step onto it. The home is located on a fully fenced large lot with plenty of outdoor space.

To make your experience even better, it is believed that super-friendly spirits inhabit the house!! You will be convinced the moment you step into this house and feel the warmth and happiness wrapping you!
