Evolution of Work Boots

Slip-Resistant with Comfort!

Genuine Grip®'s Priority

Genuine Grip & S Fellas Footwear is your best source for slip-resistant footwear at factory-direct prices. Manufacturing footwear since 1932, Genuine Grip's expertise comes from our team's accumulated technologies, skills, experiences and ideas in the footwear industries.

Genuine Grip's mission is to reduce workplace accidents and provide superior comfort.

Genuine Grip®'s Technology

Genuine Grip's soles have specially designed tread patterns made of special rubber compound to maximize slip-resistance. In the sole-to-sole comparison tests, it has been proved that Genuine Grip's sole is the best slip-resistant sole on tile with water, oil, or shortening.

"WALKING ON AIR" Polyurethane footbed provides superb shock absorbency, comfort and moisture absorption along with Aegis® microbe shield that controls odor, staining, and deterioration.

Genuine Grip footwear not just reduces injuries, but reduces foot pain and stress for your feet that cause fatigue to lower back, hip, ankles and knees.

WALKING ON AIR Polyurethane Footbed

Ergonomically & aerodynamically designed polyurethane footbed with state of art shock absorbing cushion, moisture absorbing fabric, and Aegis Microbe Shield® that controls odor, staining, and deterioration

Fit Recommendation:
 Remove the existing insoles or sock liner and replace with Walking on Air Memory Foam Insole. If necessary, trim toe area with scissors for a more exact fit. Use the existing insoles as a guide by tracing their size with a pen before cutting

Care Recommendation:
 Hand wash and air dry. Do not machine dry.
