

# WELCOME TO OUR FARM.

We offer already picked items under our tents, and allow customers to drive through our fields for U-Pik. This flyer will go through frequently asked questions of first time visitors, so you can have all of the information you need if you're planning to visit our farm for the first time!

## HOURS:

Monday- Saturday  
6 a.m. - 6 p.m.

## OUR LOCATIONS:

LUCEDALE  
257 Charlie's Lane  
WIGGINS  
3787 Highway 26

## HOW MUCH IS A BUCKET?

If you pick yourself, anything you can fit into a 5 gallon bucket is \$11. You can mix & match what goes into the bucket, but when you pay we do ask specifically what is in your buckets.

## HOW DO I PICK?

You can drive your vehicle into the fields. We have maps of the fields available at our info building or you can also print one from our website.

## DO I NEED TO BRING MY OWN BUCKET?

We recommend that you bring your own buckets, but we do have a limited amount of buckets that you can rent for \$2 at our info building.

## HOW DO I PAY?

When you're done picking, you can drive to the info building and an employee will write you a ticket for your buckets that you can take to the checkout table. We accept cash, credit/debit cards, & EBT.

## WHAT IF I DON'T WANT TO PICK?

We have already picked items under our info building for people who don't want to go in the fields to pick. We post price sheets weekly on our website and social media.
