

Dear Alumni,

As you consider making a donation, we wanted to provide you with information on two primary areas where your contribution can make a significant impact: scholarships and the general fund.

Scholarships:

Supporting scholarships directly aids current and future students in pursuing their academic goals. Your donation can contribute to creating new scholarship opportunities or enhancing existing ones, ensuring that deserving students have access to quality education.

General Fund:

Allocating your donation to the general fund allows for flexibility in addressing immediate and evolving needs of the Alumni Association. This could include updating our technology, and supporting different events..

Your Decision:

To ensure your donation aligns with your intentions, please specify your preference by indicating whether you would like your contribution directed towards scholarships, the general fund, or a combination of both. Your choice will play a crucial role in shaping the experiences of current and future students.

How to Specify:

Please include your preference in the memo line of your check and mail to
