FROM APOSTLE JAMIE FETTER

God is on the move! As we embrace this Thanksgiving season, I am thankful to see the power of God moving in our midst! Last month we saw God do amazing things in demonstration of power! Lives continue to come to Jesus as their savior. His life-changing presence is showing up in our services bringing transformation to the lives of His people.

In a tent revival in Plymouth, NC, we watched as a woman that was in severe back pain could barely walk got touched by the healing power of God! He completely healed her! God removed all the pain and she danced before us in His presence, completely healed! In the same revival, we watched as people turned to Jesus laying down their vapes and surrendering their lives to Jesus. Jesus is still breaking the chains of the enemy!

In another revival, we saw the power of God break oppression, depression, and heaviness off of His people! Many pastors were in attendance dealing with discouragement, but the presence of God broke the oppression of the enemy off and many were set free by the power of Jesus Christ.

In another revival, there was a man that came up with a walker. The Lord completely healed him, and he came back the last two nights without the use of his walker. He testified of being completely healed in his body! Hallelujah, Jesus!

God is on the move among His people! At the time that I write this newsletter, I have seen more healings in this year than any other year of doing ministry. We give God praise for all that He has done!

INTERNATIONAL MINISTRY

We are preparing for a powerful time of ministry in the nation of the Philippines. November 6th-15th we will be in the nation of the Philippines for a powerful time in ministry. During the days, we will be conducting pastors conferences where hundreds of pastors will be in attendance. In the evenings, we will be conducting open air crusades where we are believing God for thousands to be saved and experience the healing power of Jesus.

At the time of writing this newsletter, we are still in financial need for all that we will be doing in our time there. I am asking if you would prayerfully consider sowing a seed to further the gospel in the nation of the Philippines? To give, you can do so online at www.fanthefireministries.com where you can securely give. I thank you for any seed that is sown in any amount! God bless you as we join together to reach the people in the Philippines.
