Greetings in the name of our mighty Lord and savior Jesus Christ! Grace and peace to you! I am so happy to announce that after 33 months of dealing with a global pandemic, we will be stepping back on foreign soil again in the month of July! Hallelujah Jesus! We will be traveling to the nation of Uganda, where we will be holding a Pastor's and church leader's conference. 400 Pastors and Church leaders from all over the nation will come for 3 days of power packed services. Also, we will be traveling around the nation evangelizing and getting ready for a national crusade we are planning in 2023. We are still raising funds to meet the needs of feeding the pastors during the conference, and for all the other outreach we will be doing in our time there. Please pray for us as we prepare to go to the nation of Uganda.

Ministry in the Philippines

It is with great sympathy, that we acknowledge that Bishop Roy Rodriguez went home to be with the lord on May 25th, 2022. Bishop Roy was the Director of Fan the Fire Ministries activities in the nation of the Philippines. Please help us pray for his wife, his children, and his church as they grieve the loss of this great general in the faith. At this time, his wife Cristy, will be assuming all ministerial responsibilities there. Please help us keep her in prayer.

Testimony Time

We recently received a testimony into our ministry offices. A gentleman wrote in and this is what he wrote: "Hey brother I wanted to give you a praise report. After you prayed and agreed with me at First Assemblies in Shippensburg, I have never had to use that cane again"! We give all glory to God.

Evangelizing in the USA

We have seen the power of God displayed as we evangelize in churches here in the USA. We have seen countless people in the past few months receive breakthroughs, healings, and deliverances. We give God all the praise for great things he has done!

Special thank you to our monthly partners

I just want to take this moment and say "thank you" to those who faithfully support this ministry on a monthly basis with your prayers and with your financial support. Your gifts make a big difference in helping us reach lives locally, regionally, and globally. This ministry could not do all that it does without you! Together, we are seeing lives impacted by the gospel of Jesus Christ! Again, I say "Thank you" and I know God will bless you greatly!

We are booking dates for Sunday services, revivals, conferences, or whatever your ministry may be in need of.

Would you prayerfully consider having us come and share the Word of God and what God is doing around the world?
