

JANUARY 2024 NEWSLETTER

Happy New Year! It's a very exciting time in the body of Christ! There is a stirring happening in the spirit as I believe we enter into this great time of Harvest. I believe the time is drawing near, when those skies will open and Jesus will take us to be with him for all eternity. As that time draws nearer,

I believe we are going to see God move in ways like we have never seen before.

This is 2024, The Year of the Double Portion. In this year I believe we will see an explosion of the power of God, the miracles of God, and souls will be added to the kingdom. This is the time to step into all that God has for us and embrace the promise at hand. I thank you for standing with us, together in 2024 we are going to reap a mighty harvest for the kingdom!

SOUTH AFRICA

We ended the year last year and began this year in the nation of South Africa! God moved in powerful ways. We met with Pastor's from over the area and conducted a Pastor's conference. Pastors were encouraged and set ablaze ready to walk into the New Year and see God move in their communities and their churches. We preached the New Year's Eve services and the power, and the glory of God was manifested in heavy ways as souls were saved, bodies received healing, and God's people experienced deliverance. All Glory to God!

In the Month of February,
we will be traveling to India,
to conduct a crusade and 2 pastor conferences.

In this time, we are believing God for souls, and for pastors to experience an igniting of the fire of the Holy Spirit.

In India, 96 % of the population do not know Jesus!

Please pray for us as we continue to prepare, and raise funds for this time in the lord!

SPREAD THE GOSPEL AROUND
THE WORLD! BECOME A
PARTNER TODAY!

Thank you!
