

FAN THE FIRE
—MINISTRIES

September 1, 2022

God is up to some incredible things! In the month of August, we had a week-long tent revival in Hanover, PA! Many received salvation, healing, and deliverance. We seen people filled with the baptism of the Holy Spirit with evidence of speaking in other tongues. God is pouring his spirit out on his people. The fires of revival are burning and God is moving among his people. Since we concluded in Hanover, church leaders have asked us to come back for another week of revival! We have additional churches and pastors partnering with us to make an even greater impact in Hanover! This is not about any local church, but it is the body of Christ coming together believing God for this city to be saved, healed, and delivered! We give praise for all that he is doing! We will be back in Hanover October 9-15th for another week of revival! Mark your calendars, you do not want to miss this powerful week of ministry!

Ministry in Uganda

The funds have been sent to secure the stadium for our national crusade in Kampala July 17-21 2023. Next year, thousands will gather in the nation's capital and we are believing God for thousands to be saved, healed, and set free in this nation! Please pray for us, and if God would lead you to sow a seed into this crusade. Please pray for us and pray if God would have you sow a specific seed to this work. God bless you!
