Happy New Year!

There is so much anticipation in my spirit for this upcoming new year that God has given to us. God has given us a brand new year to make the most of it for him!

2021 for many, was a year of challenges, but prepare yourself for 2022. In this new year, I believe that God is going to use you in ways like never before if you make yourself available to him. The time is now to let God use you. The time is now to reach all the unsaved around you. The time is now to walk in the authority of the believer.

Mark 16 says "these signs shall follow all those who believe, they shall cast out demons in my name, they shall speak with new tongues, they shall lay their hands on the sick and they shall recover". Since our last tent revival, we have been in preparation for this upcoming year! The verse that God has given to us is **Isaiah 54:2 "enlarge the place of your tent, stretch your tent curtains wide, do not hold back; lengthen your cords, strengthen your stakes"**. We are taking new territory for Jesus in 2022. We had a great year in 2021 but 2022 is going to be a year of souls. We are in the final end time harvest! The time of harvest is now! Get ready! God is going to do great and mighty things!

Vision for 2022

God has given great vision for this upcoming year! We are planning tent revivals this year in larger cities to make greater impacts for the kingdom! We are planning tent revivals in Wilmington, DE; Philadelphia, PA; Hanover, PA; Baltimore, MD; and other cities as well. Also, we are launching a once a month revival in the City of North East, MD. This will be the first Saturday of every month. Please mark your calendars and plan on attending!

We will also continue our work overseas in the nations God has opened up to us in this year. We are believing God to finish the construction of the house of worship in this upcoming year in the nation of the Philippines.

January 8th 2022

Come and join us on this special night of worship and prophetic declaration as we come together to worship the lord! There will be worship, preaching, and I will share with you what God is speaking to me about this upcoming year ahead! You will not want to miss this powerful time in the presence of God.

Christmas in the Philippines

God has given us a presence in the nation of the Philippines. Last year we purchased a piece of property where we will begin to construct a house of worship and a home for street kids. We were able to send funds to one of the local congregations partnering with us in this project provide Christmas to the families in need in that local congregation.

Partnering with us

God has given great vision to us and for the last 10 years we have preached the gospel around the world and seen countless people come to know Jesus as their savior. We could not do this without the help of our partners. If your reading this and you're not a monthly supporter to this ministry would you consider becoming a monthly supporter to help us expand the kingdom of God? When you become a partner with us, you have a part in every soul that is saved, in every life that is touched. You can partner with us at www.fanthefireministries.com or by sending in a gift to PO box 715 Havre de grace, MD 21078. Thank you as you consider helping us to expand the kingdom of God. God bless you!

Kids for Christmas

Thank you to all who gave to make this possible. Once again, we were able to provide Christmas to our children in the nation of Uganda. Each child received a gift as well as a Christmas dinner. To God be the glory!
