

MARCH 2024 FAN THE FIRE MINISTRIES INTERNATIONAL

## The YEAR of the UNLIMITED

By Evangelist Jamie Fetter

This has been a year of Harvest! We have recently returned from the Nation of India and God moved in mighty ways. In our time there, over 1000 people gave their lives to Jesus Christ. Hundreds responded to the altars every evening for healing and the power of God was manifested in every service! There are hundreds of testimonies of God bringing healing to his people. Blind eyes and deaf ears opened, and the sick were made well! To God be all the glory! We had the opportunity to speak to over 800 pastors in 3 different conferences. The spirit of fear was broken off many pastors as they were encouraged, strengthened, and reignited to go back to their places ministry and advance the kingdom of God! Thank you for all that prayed and gave to make this powerful time of ministry possible.

We are preparing for a powerful time of ministry this coming July, in 3 different nations. This summer we will travel to Uganda, Rwanda, and Burundi. In Rwanda, and Burundi, we will conduct 2 pastors conferences. In the nation of Uganda, we will be conducting a mega crusade where it is being estimated that over 10,000 people will be in attendance! We are preparing for this time by raising funds for this powerful time in ministry. We are raising \$20,000 do accomplish this powerful task for the kingdom. Please unite with us in prayer, and prayerfully consider sowing a seed to make this possible. Thank you in advance for your giving to these 3 nations in Africa.
