

Tent Revivals

Although we are not doing tent revivals in the winter months, we have already began to prepare for next year. Next year we will be going into new places to take new territories for Jesus. We will be posting our schedule for next year in the months to come. God is making connections and up to some exciting things!

International Ministry

We are preparing our international ministry schedule for next year. God has opened up doors for us in several parts of Africa, Asia, and India. We will be doing open air crusades and pastor's conferences next year in these places. Please pray for us as we continue to plan and prepare for next year!

Happy Thanksgiving!

1 Thess 5:18 says ¹⁸ **Be thankful in all circumstances, for this is God's will for you who belong to Christ Jesus.**

I want to take a special moment to thank all of those that have supported this ministry in this year. In this year, we seen countless people come to know Jesus as their personal Lord and savior. We saw many people healed in their bodies here in the states and abroad. We give God praise for all that he has done! We made many new kingdom connections this year as we continue to evangelize the world with the message of Jesus Christ! God did so much in this year an I want to take a special moment to thank you. Without you as a monthly supporter we could not do all that we have done in this past year. For every life that was saved, for every person that came into an encounter with the life changing presence of Jesus, you play a part in that. I am so looking forward to the days ahead and to all that God is going to do in the days to come. As we enter into this thanksgiving season, please know that I am thankful for each and every one of you. Together we can change the world, one life at a time. God bless you and have a wonderful Thanksgiving!

We are planting a Revival Center

Vision- 3 Years ago God gave us a vision, to plant a ministry revival center in Cecil county Maryland (Cecil county is the most drug abused county in all of Maryland per capita).

A Revival Center- A revival center is not a local church. It is a place where evangelistic revival services will take place. A traditional church gathers on Sunday mornings. The evangelistic services will be held on Saturday evenings. The purpose is 3 fold:

1. To have a place where the church in Cecil county, and the surrounding areas can come to be revived. Pastors, church leaders, and those that work in ministry pour themselves out week after week especially on Sundays. By having the evangelistic services on Saturday evenings, it will create an opportunity for them to come at a time they are not leading or serving in their local church so that they can experience revival.
2. To have a place where the broken, the hurting, and the lost can come to find salvation, hope, freedom, and healing. During the week, our team will be out in the community inviting the lost and the broken to come to the Saturday night services. At the services, they will be involved in worship, and hear messages of hope, healing, breakthrough, and deliverance. We will have food, and clothing available for those that are in need at the end of every service.

We will be working with local churches in the area, once those that are attending on Saturday evenings find salvation and freedom, we will plug people into local churches so that they can then begin to become a disciple and grow in their walk with Christ.

3. To have a place during the week to pour into and raise up future leaders and those called into the ministry. During the week, we will be creating an atmosphere for those called into the ministry to pursue God, receive training, and have an opportunity to discover their spiritual gifts, and begin to operate in those gifts. Also from this place, we will be creating ministry training videos to be sent to in other nations of the world where we have ministers a part of *Fan the Fire Ministries Fellowship*.

How you can help- Through partnering with us to expand the kingdom of God.

You can partner with us in two ways:

1. Through your prayers- Pray for us, as we step through this door, that every need will be met, and that God's spirit will be poured out in this region and many people find salvation, healing, breakthrough, and deliverance through this revival center.
2. Through your giving. Your seed sown into this will go towards someone finding hope, healing, salvation, and transformation.

Would you consider sowing a one-time seed into this work?

Once we obtain ownership of the property, there are several things we must do to the building to prepare it for the launch in January. We are raising funds for the purchase and for the necessary repairs of the building once we take ownership of it.

Missionary Evangelist Jamie Fetter
Fan the Fire Ministries International

Thank you in advance for any seed that you sow into this great work.

We are booking dates for Sunday services, revivals, conferences, or whatever your ministry may be in need of.

Would you prayfully consider having us come and share the Word of God and what God is doing around the world?
