Praise the Lord! As I write this letter I am reminded of the words of the song that says "God is so good, God is so Good, God is so good, he's so good to me"! God is good to us! He is faithful and he is faithful to his promises. Recently I preached a message about the promises of God. I want to encourage you that God is a God of his promises. That which he has spoken will surely come to pass. Most of us are holding onto promises from God and we are waiting to see them to be fulfilled. Do not allow circumstances or situations to cause you to become weary as you wait to see the promise come to fruition. The word of God says "be not weary in well doing, for in DUE SEASON we shall reap if we faint not". What God has spoken will come. Not one word that he has ever spoken shall come back void.

God specializes in taking what the enemy uses to work against us, for our good. I am reminded of Joseph as he looked at his brothers when he was prime minister in Egypt in Genesis 50:20 **"you intended to harm me, but God meant it for the good, for the saving of many lives"**. He was thrown into a pit, sold into slavery, thrown into prison, but God used all of those things to his good to work out his plan for Joseph's life. I am reminded of the words of Apostle Paul in Romans 8:28 that says **"God will work for the Good for those who love him, and to those who are called according to his purpose"**. The best is yet to come. Keep believing! Jesus said *"Heaven and earth will pass away, but my word shall stand forever"*. I love you!

Testimonies

- Recently we preached a revival in Carlisle, PA. In one of the meetings a woman came up at the end of the service for prayer. She had been diagnosed with cancer. We prayed and believed God for healing for her body. A few weeks later, she went back to the Dr. and she is now cancer free! Thank you, Jesus,!

We recently received a message from someone we ministered to last year in one of our tent meetings. She said "Good morning I just wanted to take a moment this morning and reach out and tell you that since I gave my life to Jesus at the tent revival in Perryville on 6/26/21 I have been sober I have completely changed my whole life and I owe it to God and the people that brought me to God" !

Thank you, Jesus, for the power that is in your name to bring change and transformation!

Special thank you to our monthly partners

- I just want to take this moment and say "thank you" to those who faithfully support this ministry on a monthly basis with your prayers and with your financial support. Your gifts make a big difference in helping us reach lives locally, regionally, and globally. This ministry could not do all that it does without you! Together, we are seeing lives impacted by the gospel of Jesus Christ! Again, I say "Thank you" and I know God will bless you greatly!

Ministry in the Philippines

Some funds were sent to the Philippines to begin for construction for our church plant. The first step was to dig a well, for clean water on the property. This has been accomplished! Now we are beginning to put a fence around the property. Once this is finished then we can begin the process of building. We are still raising funds for this project! If God lays on your heart to sow to this project, please designate your gift to "Philippines" and we will make sure it gets used for that purpose. Thank you for praying for this project and for your giving to this great need.
