REVIVAL IS HERE!

Tent revival season is upon us! God is moving in incredible ways! We had our first tent revival in Bath, NC and God moved among his people. There were salvations, people testified of being healed in their bodies, and there was deliverance! Glory unto God! There was a woman that came over in the 3rd night of the revival. She heard us from her house the other two nights and she came to see what was happening under the tent. When she came, she had alcohol on her breath, but by the end of the night, she was saved and God broke the chains of addiction. She testified that God had set her free! Glory to God. I am amazed at what God is doing. In this month we have ministered in multiple revivals. At the time that I am writing this over 30 have made decisions for Jesus! God continues to manifest in mighty ways in our services. People come in with pains in their bodies, and they are leaving healed. People are coming in bound, but they are leaving set free by the power of Jesus. God is raising up an army in his people! God is pouring out a fresh anointing on his people to use them in ways like they have never been used before! We are living in exciting times! There might be things happening around the world but keep your eyes on Jesus and what is happening in the kingdom of God. There is a mighty move of God that is taking place. I believe revival is here!

MINISTRY UPDATE

Fan the Fire Ministries will travel to 7 nations around the world. We have already been to 2 of those nations. We traveled to South Africa, and India and seen over 1000 souls come into the kingdom of God in those two trips. We are believing God in this year for more than 10,000 souls to be added to the kingdom of God this year through this ministry. We are now preparing for a time of Ministry in Africa. We will travel to 3 nations in Africa conducting 2 pastor's conferences and one mega crusade. In the crusade, it is being estimated that 10,000 people will be in attendance every night in these meetings. We are raising the funds for this powerful time of Ministry. In order to do these conferences and crusade we are raising \$20,000 to cover all of the costs involved in making this happen (venues, stadium, sound system, lighting, advertisement, transporting the people...). I am going after souls and I ask that you help me. We are still in great need to reach this goal and I am asking today that you would consider making a one-time gift in any amount towards this. I believe that thousands are coming to Jesus in this time of ministry. To give, you can give online at www.fanthefireministries.com or you can mail into our ministry address at
PO Box 1161
Elkton, MD 21922.

From the bottom of my heart, I thank you for partnering with us and for supporting this ministry. The Apostle Paul said in Romans 1:9 God knows how often I pray for you. Day and night I bring you and your needs in prayer to God, whom I serve with all my heart spreading the good news about his son. I pray for you daily. I pray for your homes, your families, your businesses, your ministries, etc.... I ask that you keep us lifted up in prayer. We are traveling from town to town from state to state telling the people in these towns the good news about his son. Please keep praying for us. It is only the work and the hand of God that we are seeing the move of God that we are seeing. I ask that you intercede for us and keep lifting us up before the father in heaven. Together, we are reaping a mighty harvest.

I thank you in advance for your giving and for helping us reach the world with the message of Jesus.
