In this month we will be traveling to the nation of India for a time of soul-winning, evangelism, and revival. In this nation, 98 percent of people do not know Jesus! I am believing for thousands of souls to be won in this nation. We will be conducting 2 crusades and 2 pastors conferences. We are still in need of \$3000.00 to pay for the stadiums, sound, and lighting for the crusades. Would you consider sowing a onetime special seed to help meet this need? To give, you can sow online at our website: www.fanthefireministries.com

God bless you for your faithfulness to the kingdom!
