Ministry News

I believe with all of my heart that we are experiencing the end time harvest! Souls are coming to the kingdom, people are receiving deliverance, and lives are being transformed.

We are seeing the miraculous of God in phenomenal ways! In the month of May, we conducted several tent revivals in North Carolina, and we have seen and experienced the glory of God. One service in particular, I could not even preach. God told me he was there to heal, and we witnessed over 11 people receive healings and miracles. We saw eyes opened up, ears opened up, feeling restored to feet, and pains leaving bodies. One lady came back the next night and testified that her sugar level was 106 and that it has never been to that level and that she was miraculously healed. Glory to God! Our hosting pastor told us a week later that the tent revival is the talk of the town! It reminds me of what God's words tells us in Acts 17 "those who turned the world upside down have come here too".

In another revival, God healed several people but one that sticks out to me is a woman that came to the church and couldn't walk or stand up straight. She came to the altar requesting healing. The power of God touched her, and she stood up straight and began to run and dance in the presence of the lord! We serve an amazing God. In another one of our tent revivals there was a man that came bound by drugs, he came and surrendered to the lord and he testified of God setting him free. We give God all the glory for great things he has done.

We are in much preparation for our conferences and crusade in Africa. In the month of July, we will be in 3 nations (Rwanda, Burundi, and Uganda). In Rwanda, and Burundi we will be conducting a pastors/leader's conference in each nation. We are expecting over 200 pastors from around the nation to be in these conferences. Pastors will come and be empowered, strengthened, and the fire of revival ignited in their hearts to go take back into their churches.

In Uganda, we will be conducting a mega crusade where 10,000 people will be present each night in the meetings. We are believing God for thousands to be saved, healed, and set free by the power of God.

We are still raising funds for these meetings. Would you consider sowing a one-time special seed to make this powerful time of ministry in Africa possible?

I want to thank you for standing with me and Fan the Fire Ministries as a monthly partner. Because of your faithfulness and your giving, we are able to reap the mighty harvest together. God bless you!
