JULY 2024 NEWSLETTER

FROM EVANGELIST JAMIE FETTER:

God is on the move! The lost are being saved, the sick are being made whole, and those that are bound are being set free! In the month of June, we conducted 2 tent revivals and the power and the presence of God was manifested! Lives have surrendered to Jesus! We watched as God brought healing to feet, backs, and other infirmities! Demons have been cast out, and those that are bound by the oppression of the enemy have been set free by the power of Jesus! The spirit of God is being poured out as His people are receiving the baptism of the Holy Spirit, and the same fire that was released in the upper room in Acts 2 is being poured out on the people of God! God is healing His people, delivering His people, and empowering His people to use them in ways like never before! Hallelujah, Jesus!
