COVID-19 PANDEMIC – WEBSITE/VIDEOS IN ASL

The screenshot shows a web browser window with the URL cdhh.ri.gov/covid-19/. The browser's address bar and tabs are visible at the top. The website header features the RICDHH logo, the text "State of Rhode Island Commission on the Deaf and Hard of Hearing", and "Executive Department/Established in 1977, Reauthorized in 1992.". A search bar and social media icons are also present. A red oval highlights the main content area, which includes a large banner with a coronavirus particle image and the text "RI COVID-19 Information and Updates in American Sign Language (ASL)". Below the banner, there is an "About" section with links to "Message from RICDHH", "RI Department of Health (RIDOH)", and "RI COVID-19 Data Tracker". The website background features a large image of the Rhode Island State House. The Windows taskbar at the bottom shows the date and time as 2:40 PM on 4/17/2023.

Coronavirus Disease 2019 (COVID-19)

State of Rhode Island
Commission on the Deaf and Hard of Hearing
Executive Department/Established in 1977, Reauthorized in 1992.
