

# HOME AND COMMUNITY PROGRAM

brain  
rehab  
network

## PROGRAM

Our Home and Community Program delivers support within the brain injury survivor's living environment to achieve and maintain the highest level of independence.

## ABOUT US

Brain Rehab Network (BRN) - the most experienced and trusted rehabilitation team in the Pacific Northwest. For over 30 years we have delivered **expert, coordinated** and **collaborative** care to drive progress and build hope.

## PROGRAM DETAILS

### Strategies designed to establish structure and routine to maximize independence

Facilitate wellness through follow-up medical appointments, support with prescribed medications, and healthy living

### Lending a hand with essential daily living tasks (e.g., meal prep, cleaning, money management)

Monitoring functional changes over time

### Skilled therapies based on needs

Serving adults ages 18+
