

## STATEMENT OF THE YORK COUNTY REPUBLICAN COMMITTEE

There may be some confusion in the May 18<sup>th</sup> Republican Primary in the **Central York School District**. Some Democrats have crossed filed and are running on the Republican ticket.

In order to clear up any confusion, the York County Republican Committee is recommending the 4 Real Republicans – **Tim Strickler, Faith Casale, Laura Bond, and Veronica Gemma** – who hold conservative values and are willing to stand up and fight for them.

The team of **Strickler, Casale, Bond and Gemma** are fighting for strong academics, fiscal responsibility, and transparency, and fighting against the radical agenda being advanced by some of the candidates that includes the poisonous Critical Race Theory and cancel culture silencing.

Do not be confused. Stand against the radical agenda in our schools by voting on May 18<sup>th</sup> for **STRICKLER, CASALE, BOND and GEMMA**.
