WHEREAS, United States Senator Patrick Joseph Toomey, Jr. sat silent, failing to address the legitimate concerns of his constituents; and,

WHEREAS, A hyper-partisan U.S. House of Representatives, led by Speaker Nancy Pelosi, Congressman Adam Schiff and Congressman Jerrold Nadler, spent nearly the entirety of President Trump's term in office engaged in an unwarranted effort to impeach the President based on charges they knew or should have known to be false; and

WHEREAS, United States Senator Patrick Joseph Toomey, Jr. sat silently by, giving his tacit approval of these egregious acts of these Members of Congress; and,

WHEREAS, The Chief Justice of the United States Supreme Court, in likely recognition of the folly that is the United States Senate's Impeachment trial, refused to preside over the trial; and,

WHEREAS, The United States Senate, in direct contravention of Article I, Section 3 of the United States Constitution, has proceeded with an Impeachment trial without the Chief Justice presiding; and,

WHEREAS, In a staggering deprivation of Due Process and the right to a fair and unbiased tribunal, United States Senator Patrick Leahy is serving as judge, juror and witness in the Impeachment trial; and,

WHEREAS, United States Senator Patrick Joseph Toomey, Jr. endorsed this unprecedented unconstitutional action when he voted to proceed with an Impeachment trial for a President that is no longer in office; and,

WHEREAS, United States Senator Patrick Joseph Toomey, Jr.'s voting record is replete with positions that are counter to the principles of the Republican Party and out of touch with the core beliefs of the People of Pennsylvania; and,
