

Subject - Requesting contribution for supporting 1000 villages around Ekam to sustain through the corona crisis and presenting the special privileges offered as a token of our gratitude for your support.

Namaste!

In these turbulent times when a pandemic is ravaging our world, its worst impact is upon the economically underprivileged people of our nations.

Sri Preethaji and Sri Krishnaji along with their daughter Lokaa, have created a charitable trust, One Humanity Care to impact and transform the lives of a thousand villages around Ekam.

They have implemented several developmental projects to supply pure drinking water, clean sanitation, good homes, medical support and also improve their education. Vocational and skill development training is given along with spiritual nurturing.

But as the pandemic engulfed the world, these villagers became helpless victims to scarcity and poverty. They are in desperate need for food supplies, clothing and medical aids.

We have been supporting them with - providing rice, pulses, cooking oils, medicines & ambulance services, sanitising their homes, training them to protect themselves and their loved ones from the virus, giving a few vocational training to generate income like stitching masks, supporting front line workers by providing them with personal protective equipment, joining hands with government agencies and supporting their efforts by offering our campuses to care for people who are quarantined. These are a few social activities that are being implemented in these 1000 villages regularly as the crisis unfolded over the past 4-5 months.

We deeply appreciate any contribution that you might be able to make towards carrying forward these welfare activities and expand them to include more people. Your contributions would ensure them both survival and safety to tide across this crisis.

As a token of gratitude and appreciation for your generosity, we would like to offer the contributors a special connection via zoom to participate in the peace festival celebrations on all 7 days.

Through this zoom connection you will have the privilege of interacting closely with the founder's Sri Preethaji and Sri Krishnaji.

Each day of the festival from August 9th to 15th, you will have the blessing of participating in a exclusive meditation with Sri Preethaji and Sri Krishnaji after the live stream to the world is over. And on the last day, August 15th, you will have the opportunity of participating in an exclusive live interaction with Sri Krishnaji for one hour followed by a special meditation.

You will receive immense spiritual nurturing from them as a token of appreciation for the support you have offered towards caring for the villages.

If you are passionate to offer your heart-felt support through your contributions kindly contact the faculty to take it forward.

We look forward to your support.

With regards,

Team Ekam.
