

“Retirement with a Purpose”

This is a seminar divided into three stages of retirement. It is designed to have shared discussion at tables of like stages and is designed with 20-40 persons in the total group. There is a set of questions for each group that will be assigned by the leader or facilitator of the seminar to be discussed as a group. There is also a workbook for each discussion group which can be discussed as a group or to be used by the individuals at their leisure time. An opening statement will be given as it refers to the stages of retirement.

The stages of retirement are as follows and are designed for the period of retirement that each may find themselves in.

Stage one is the first 2 or 3 years of retirement, normal age range is 62-70.

Stage two is the next 15 years of retirement, normal age range is 65-85.

Stage three is the next 25 years of retirement, normal age range is 80-105.

The objective of the seminar is to activate thinking for the future welfare of our retiree friends and to help set goals for the future of the participants. The seminar can be conducted by anyone with reasonable facilitator skills and a desire to do so. For further information, contact:
