

Sail home on the Queen Mary 2 September 15-23, 2022

Here's a unique opportunity to head to Europe on your own and then sail home on Cunard Line's elegant Queen Mary 2 from Southampton, England to New York City.

Plan your own vacation or ask a Go Travel consultant for advice and booking on river, ocean and motor coach trips that back up to the return from Southampton.

The Queen Mary is a true icon. The flagship of Cunard Line is a truly astonishing liner and you'll find an incredible sense of freedom in the space she offers. Whether you're in the mood for complete relaxation or something more active, you can find it.

Immerse yourself in enthralling entertainment, be indulged in the on-board spa, or simply relax with a book in her vast library. You'll discover remarkable craftsmanship in the elegant staterooms and suites and savoring her many sumptuous restaurants and bars is always a pleasure.

Eating on board is a pleasure. Take your pick of elegant fine dining, gastro pubs, and indulgent buffets. You'll enjoy a sense of freedom regarding the array of places to eat, from hearty to healthy, light bites to fine dining. With so much to choose from the only challenge is deciding what to order.

Cunard has partnered with the Royal Shakespeare Company for our cruise bringing the power of Shakespeare to Queen Mary 2 where guests will be able to enjoy exclusive theatrical scenes. A brand-new piece has been created exclusively for the on-board program called "*Boundless as the Sea*". The Queen Mary 2 is a true ocean liner regularly crossing The Atlantic between New York and England and

circumnavigating the globe. An iconic ship both inside and out, her staterooms and suites have been mindfully furnished in a modern art deco design that pays homage to her maritime heritage.

The Britannia Club balconies, for example, offer almost 250 sq. ft. of living space and freedom dining in the Britannia Club restaurant. These balconies are an elegant option for Queen Mary 2's guests. Each one features a King-sized bed, a lounge area, and a spacious private balcony with unhindered ocean views. Slip into your complimentary robe and

slippers, savor the sparkling wine welcoming you on board, and relax at your outside table as land slips from view. There are several cabin options to choose from.

What will it cost:

Here is the pricing for the Queen Mary 2 crossing
