Fred's Reflections

Happy New Year! We are now once again challenged by COVID 19. We did get a brief pause and celebrated our first in person Holiday Party on December 7th at Chabot College. Now it's back to zoom, which our McCoy Chapter has done for meetings and programs for the last 2 years. We look forward to expanding contact with all our member's in 2022.

Our board members have done a fantastic job throughout this time and have made plans to expand our membership participation. With some changes on the board we look forward to an exciting year ahead. Our newest board person Kathy Catanho will work on our membership plans. She joins other board members that are taking on new tasks as well. Chris Logan is interim Secretary. Bob Smeenck, our YPN Liaison, is now our McCoy representative to the YMCA Alumni National Service Campaign. We welcome McCoy Alumni to join our board in the coming year, as we have many tasks and openings available!

During the past two years our program group, headed by Bud Doane, has

done a great job in providing zoom programs for our Alumni and the AllenStone Chapter as well. Ron Markillie, our EAF Chair, has increased our membership gifts through our Christmas Holiday parties and his work on solicitation. The McCoy membership plan, headed by Greg O'Brian, reached out to many of our new retirees. Our Newsletter editor Pam Sheble has done

a remarkable job, especially after some health challenges. Pam's past Newsletters have kept us all informed of the McCoy

Sally and Fred this summer

chapter programs, news about our Alumni, and great informative articles. I want to thank all of the board members who have rallied to keep us on track during these Covid times.

In the new year, I look forward to more exciting possibilities for the McCoy Chapter to bring our Alumni together.

Fred Stickney,
McCoy Chapter President

Program Committee had a Productive Year

submitted by Vice President, Bud Doane

Henry J. McCoy

1847 - 1921

First General Secretary
San Francisco YMCA
1881 - 1915

The Program Committee made great use of Zoom in 2021, hoping to keep McCoy Alumni connected. A variety of subjects were offered starting with January's "The Conspiracy of Goodness", a look at the many projects worldwide that spread Goodness.

We joined the Allen-Stone Chapter to discuss the many hobbies that our members are involved in. Dr. Rick Rigsby brought us "Lessons From A Third Grade Dropout" and we looked at dealing with extremists engaging across ideological lines in "The Power of Engagement, Interacting in a Divided World". This Fall we looked at the Sioux YMCA and the plight of the Lakota Indians. And finally, we finished the year with an In-Person Holiday Party at Chabot College.

The Program Committee includes **Bob Smeenk, Ron Markillie, Chris Logan, Sharon Gish, Sally Stickney and Bud Doane**. They are currently planning for 2022 programs and are looking for ideas. If you have an idea for a program (Zoom or otherwise) please send it to mccoyforums@gmail.com.

Y Alumni Mission Statement

The mission of the YMCA Alumni Association is to enable members to promote a nurturing worldwide Christian fellowship that provides educational, social service and charitable opportunities.

The Real McCoy is the official Newsletter of the McCoy Chapter of the YMCA Alumni Association..

It is published four times a year: February, May, August and November. Articles and news for inclusion should be received by the 1st of the month of publication.

Some photos may have been "doctored" to make them more interesting.

Submissions may be sent to Pam Sheble by e-mail (see emails in next column) or mailed to Pam at 2730 Sequoia Way, Belmont, CA 94002.

On December 7th, a group of 14 McCoy members were able to gather at Chabot College for a Holiday luncheon. The festive setting was enjoyed by new retiree's Debbie Garber, Julie Wesolek and Barbara Cardenas, along with Chris Logan, Ron Markillie, Greg O'Brien, Bud Doane, Pam & Bud Sheble, Bob Smeen, Sally & Fred Stickney, Jan & Steve Dale and Kathy Catanho. It was a long trip for some of the attendees, with Debbie Garber driving the furthest from Grass Valley, Ca. We missed those who could not attend and hope in the future more McCoy Alumni's can join in an inperson gathering.

The group spent time sharing their YMCA experiences. Everyone enjoyed some fun stories of past Christmas holidays and getting to know each other. Lunch included delicious salads, wraps, and sandwiches, followed by yummy cookies. Ron Markillie shared information on EAF and our "Night before Christmas" story was read by Pam Sheble, which has been a tradition for the McCoy Holiday parties. Rather than exchanging gifts, we passed the bucket and gave cash, checks and pledges to the EAF fund for 2022. The total was over \$2500.

Member News

Kathy Catanho and Dave Eakin (Castro Valley, CA) "We have just bought a 40 acre ranch (high desert) in Southeast Arizona, in a little town called Pearce. Closed Escrow 12/28. It is sort of out in the middle of nowhere and has a funky ranch style house, 2300 sq ft. It also has 2 RV spaces. We plan to rent it out when we are not visiting. Apparently, this area is a big draw for hunters - Deer and Javelina. It is on a well, and we will be adding Solar. "Off the grid living at its' best!" It's also much closer to our beach house in Mexico. Come visit " :-)

Jean Crichton (Kentwood, CA). Note from daughter **Lori**. "I'm sending a picture of Mom holding one of her 100 Birthday cards she received for her birthday

in June. She did receive 100 and one was even from President Biden. The other picture is of mom opening presents

on Christmas and she wants you to know she is now 100 1/2.

Barbara and Ralph Drake (Reno, NV) send their greetings to all. "Nothing too exciting going on but we did get to the coast of Oregon for Thanksgiving with our son and family who live in Portland. We continue to be involved with our downtown church, and Barbara has had fun on stage a few times this fall with the "Ageless Repertory Theater", a local staged reading theater group. We get together now and then with a small circle of friends. Our neighborhood is quite friendly, so we are not isolated. It was fun to see **Bea Halk** this fall when she and her daughter were in Reno. Hope to see you in Ashland."

Chris Logan (Palo Alto, CA) Chris Logan enjoyed gardening with the grandkids, Carmela and Milo, this summer. It was great fun watching the seed grow to a 12 foot tall sunflower. She has harvested 3 pounds of seed from one plant! She also did a 2 week trip to the Midwest to see family & friends in July. Southwest Missouri and northern Arkansas are very risky because so few are vaccinated. Luckily she stayed healthy.

Dave and Joyce Mercer (Vancouver, WA) "We have some sad news to share. Our oldest son, Steven, passed away 3 months ago at age 62. He had a heart attack. He left a hole that will be impossible to replace. We managed to have a pleasant Thanksgiving and Christmas in spite of our loss. We gathered with family. We will be going to the retiree reunion in January in New Orleans and February to Hawaii with the Allen-Stone retirees."

Bill and Joanne Newton (Orangevale, CA). "Hoping 2022 will bring peace and calm to our World. Bill had back surgery last May and his pain was relieved. He is walking well again. Joanne had a Left total knee replacement Dec. 15th and is slowly recuperating. Our family is well-our son had Covid but is now well. Joanne lost a niece and nephew from Covid, they had not gotten the vaccine shot. Hopefully people will wake up and realize how important the vaccine is!!! Prayers for 2022".

Greg and Chris O'Brien (Petaluma, CA) "Chris and I went for a walk on New Year's Day. We sometimes see a red tail Hawk on top of a Radio tower sitting by himself. (Wolf-Man Jack's old Radio station was housed there.)

Today for the first time we saw two Hawks, lovebirds? They were sitting side by side. Hopefully this is a sign that 2022 will be a beautiful loving year!."

Bud and Pam Sheble (Belmont, CA) " We did a lot of boating during the Spring and Summer. High-light - the Annual Nordic Tug Rendezvous with 12 other boats in Rio Vista. We also managed our annual family vacation in Laguna Beach (19 of us, all but

the 3 little ones vaccinated). Somehow we caught Covid right at the end of the trip. We were pretty sick for two weeks. My anticipated surgery had to be postponed until September. Long story - 15 hours of surgery, 2 weeks of hospital and rehab, then 6 or so weeks at home with caregivers. Slowly recovering and am about 80 percent of normal. Managed to host Thanksgiving and Christmas (18 of us) with a lot of help and support from our kids. "

Bob Smeenk (Aptos, CA) "I took a cruise to Catalina island and then on to Ensenada Mexico for 4 days. This was followed by 2 days

in Disneyland. Good trip. I had fantastic family time with my younger son, his wife, and 2 of my 5 grandkids. The older one was taking a break from his first year at UC Davis."

Your news could have been here too!
Next time send it to Pam Sheble –

Dave and Mary Alice Thornton (Palo Alto, CA). Message from Dave - " Mary Alice had a severe stroke last Sunday. It has badly damaged her speech, and language function. It's heartbreaking for me and our family. She has a long road ahead for recovery. The future is uncertain but I'm hopeful. Feel free to share any of this with others. We greatly appreciate all of the love, support, and prayers coming our way during this difficult time. Recent update, she's making progress. Their address is: 850 Webster Street #735, Palo Alto, CA 94301.

Don and Rosella Zerwer (Lincoln, CA) "Our prayers were answered, **Rosella** received her long awaited kidney transplant on November 16th in San Francisco. It was a paired kidney exchange. Our donor, a friend of our son-in-law, was not a blood type match with Rosella, so his kidney was exchanged for one from a donor in Texas that Rosella received. She does have twice weekly lab tests and the transplant center is doing a great job of adjusting her meds accordingly. To see her you would never know she had a kidney transplant less than 2 months ago. Here is a recent photo."

And a late addition -Larry and Erlene Benevento (Visalia, CA) The Beneventos spent Christmas in Playa del Carmen, Mexico. Larry organized a reunion with 20 other family members. Erlene said it was great, but she missed the traditional family celebrations at home.

YMCA ALUMNI - NATIONAL SERVICE PROJECT

Sioux YMCA, South Dakota

As this year draws to a close I want to wish you and yours a Merry Christmas and a Happy New Year. In closing this year and thinking about the coming year, you may have some year end tax considerations you want to think about. I'm your McCoy Chapter Representative for the Sioux YMCA tiny homes project. I'm including a link to a video about the project. It tells a great story and has good information following each section. The upper right hand corner has the various segments about the project, and at the bottom is a page on Donations. The video has received high praise in other presentations. I hope you enjoy it as well.

Thank you.

Bob Smeenk, McCoy National service project representative

Please join us to build a strong community on the Cheyenne River Sioux Tribe Reservation! Volunteers will improve and transform the neighborhood. Construction of a new cluster of tiny homes will enable families, volunteers, and staff inhabiting the homes to achieve the stability, independence and strength they need to build a more healthy and vibrant community.

Immerse yourself in a Lakota Tribe cultural exchange. The group size is about 10 - 20 volunteers per trip (or wave). All service trips include a mix of work, rest, and free time. Volunteering on this project is fun, fast-paced and fulfilling. The Sioux YMCA Tiny Home Project not only utilizes your skills and effort to build safe, affordable homes that are desperately needed on the reservation, but also offers an opportunity to become educated in American Indian culture. A site-seeing trip is included to experience the incredible Badlands National Park, Custer State Park, Black Hills, Crazy Horse Monument, and more!

We welcome everyone who wants to contribute to this important National Service Project. Previous construction experience is not required, however manual labor is a part of the trip. So all participants should be in good health. A Covid vaccine is required. YMCA Alumni can bring family and friends, or come as an individual. You may sign up for multiple week-long trips if you would like.

The minimum age is 16, however minors must be accompanied by and supervised by an adult. The volunteer leaders of the National Service Project team work to ensure that trips are well-planned and coordinated, safe, and rewarding.

COST AND LODGING

\$375/week - This fee includes meals in the dining hall, lodging in the volunteer center bunk house, cultural activities and tours, training, final awards banquet, and Prairie Vista Inn and airport shuttles from Rapid City, SD. Lodging for this option is a lower bunk (upper bunk not used) with shared bathrooms. Just like (but more fun than) going to Camp for a week. The cost does not include your airfare to Rapid City, South Dakota.

OR \$175/week - If you arrange for your own lodging. Reserve a room at the Prairie Vista Inn (605-967-2343) in nearby Faith, SD (about \$80/night), or bring and stay in your RV, travel trailer, or tent and participate in the program at this reduced rate.

Spaces are limited. Total Group size is about 20 volunteers per wave. You can register online at YMCA Alumni.org starting in January 2022.

Dear Fellow Alumni:

We are aware of the issues that our country has been struggling with over the past couple of years. Many of us have family members or friends that have been negatively impacted by the pandemic.

Health issues, loss of jobs, financial challenges are just a few of the ways people are being impacted. Unfortunately, Y Staff and Y Alumni have not been spared. As you might imagine, giving to EAF by Y Alumni across the country and here in the McCoy Chapter has dropped off. I don't have the final figures for 2021 yet but at last report it was significant. At the same time requests for aid continues as needs grow.

I want to thank everyone who helped us get off to a great start for 2022. You can rest assured that your generous support will make a big difference to many. I would also like to invite those of you who may not have had the opportunity to make your gift, to do so now. You can go online to the ymca alumni web site, <https://ymcaalumni.org> or you can call me at 408 206-5933 and I will send you a pledge form and you can pay by check or with credit card. You can also pay monthly online if you prefer.

Please make sure that you list the McCoy Chapter when making your gift and mention that it is for the year 2022. Thank you for your help it is deeply appreciated

Please Note: The EAF presentation at the holiday party resulted in cash contributions in the amount of \$794. and pledges of \$1800. for a total of \$2594. That doesn't include the \$1000 gift from the Pipkin family. So I think we are off to a good start for EAF for 2022.

JOIN US IN KAUAI - February 21-25, 2022

Allen-Stone and the McCoy chapters are going to Kauai, Hawaii in February 2022. We will stay 4 nights, Feb 21-25, at the Royal Sonesta Kauai Resort in Lihue, one of the top hotels on the Island. Tom Horsley recently stayed there and gives it a high recommendation. Situated on a protected bay, it is ideal for beach walking, swimming, snorkeling, paddle boarding, or hanging out. It boasts the largest pool on the island and is a full-service resort.

Also, the resort provides a shuttle to and from the airport, so renting a car is not necessary. We plan to eat two dinners together, first night and last night, at the excellent restaurants at the resort. We also plan at least two excursions together, to visit sites on the Island. We are guaranteed a price of \$279 per night plus taxes, and a resort fee of \$20 per night (Which provides use of resort amenities).

And the price is good, three days before and three days after our event. Note that our groups deadline for room reservations is January 21, 2022. Individual cancellations can be made up to 7 days before the event. After that, one night will be charged. For more information and a registration form contact Gary Huff (below)

We Remember...

Betty Jean Olson

February 28, 1936 – May 10, 2021

"Betty's Banter" Photo

McCoy President 2003

Asilomar Conf. 2007

April 30, 2021

On May 10th Betty Olson, loving wife of Al Olson and mother of two sons, passed away peacefully surrounded by her loving family, friends and compassionate care givers at the age of 85 in Redding, California. She had been fighting kidney failure, and had been on dialysis for a number of years. She passed away after having a heart attack while on dialysis.

Betty was born on February 28, 1936 in Tulare, California to Harry and Ester Relph. She was the fifth child of twelve raised principally by her mother after the early passing of her father when she was 7 years old. Betty graduated from Monrovia High School (Class of 1954) where she met and later married Alvin Monroe Olson on September 10, 1955. Together, Betty and Al raised two sons, Alan and Todd.

Betty worked for Avery International from 1954-73, starting with the Monrovia facility. In Southern California Betty was on the Board of the San Gabriel Valley YMCA. After the Olsons moved to Sacramento, she worked as Director of Development for the YMCA of Sacramento, now called YMCA of Superior California, from 1973-92. Betty then worked for Comstock Publishing from 1992-93 and the Arthritis Foundation from 1994-99. They lived in Folsom, near Sacramento. From 1987-2006 she was active in the Orangevale Rotary Club and served a term as their President. She was also on the Board of Directors of the Friends of the Orangevale Library. In 1984 she was honored for recruiting 54 Olympic Torchbearers for the 1984 Olympic Torch Relay. She participated in the 1996 Olympic Torch Relay as a Torchbearer, escorted by son Todd.

Upon retirement she joined the McCoy Chapter of NAFYR and she and Al became very active. Betty was the McCoy Chapter's first woman President and she twice held the office, once from 2001-2003 and a second time from 2008-2009. Her President's Column in this newsletter was called "Betty's Banter." She also served a term as VP of the West for NAFYR. Al was Treasurer for many years before and after Betty's two terms. During this period the Chapter's focus was on Cluster meetings that ranged from Reno and Tahoe, down the Central Valley, and in the Bay Area.

In 2006 Betty and Al moved to Oak Run, CA, east of Redding, and their home was on a 9-acre parcel. The home was on top of a hill with spectacular views of Mt. Shasta and Mt. Lassen. In 2018 a fire swept up the hill and destroyed their home. They moved back into their rebuilt home in late February and sadly had less than 3 months to enjoy it before Betty passed away.

We will miss you Betty. Rest in Peace!

Shakespeare Festival in Ashland - April 19-22

After taking the past couple of years off, this year's Ashland Shakespeare Festival is back!! We have set our trip for Tuesday, April 19 to Friday April 22nd and have two great plays offered for our group. In addition, we will have an opening pre-conference visit on the afternoon of the 19th to the new YMCA camp, just completed at Lake of the Woods, YMCA Camp DeBoer. We will also enjoy an afternoon of wine tasting at the Dana Campbell Vineyards, owned by former YMCA director Pat Flannery. The event will include two dinners together, some great fellowship and the opportunity to explore the beautiful Rogue Valley and the town of Ashland.

This year we only have 20 slots available, so please sign up early if you are planning on attending.

The plays are -

"unseen" – By Mona Mansour, Directed by Evren Odckin, the West Coast Premiere, at the Thomas Theater: Mia, an American conflict photographer, wakes up at the site of a massacre in Syria, not sure how she got there. With her Turkish girlfriend Derya and her Californian mother Jane, Mia must slowly piece together the details of her past to find out what happened. Mona Mansour's beautifully human and surprisingly humorous play asks what it would mean for our souls—personally and as a nation—if we were to truly see the impact of our actions.

"Once on This Island" “A Musical, based on the novel by Rosa Guy, book and lyrics by Lynn Ahrens, music by Stephen Flaherty, Directed by Lili-Anne Brown. At the Angus Bowmer Theater: Once on a golden and verdant Caribbean island, a little girl is rescued from a disastrous storm by four gods—Asaka, Mother of the Earth; Agwé, god of Water; Erzulie, goddess of Love; and Papa Ge, demon of Death. So starts the myth told in this breathtaking story of Black joy and sorrow, the aftermath of colonization and isolation, and the triumph of love against all forces. Told with Caribbean rhythms and instruments, this Tony Award-winning musical is a testament that a beautiful story simply told has the power to inspire and heal all.

Registration deadline is March 9th, plan on signing up early since we have a limited number of tickets reserved. Cost is \$114 per person for the plays and dinner events. Please, make hotel reservations directly with Holiday Inn Express and Suites (541-201-0202) and request the YMCA Alumni Group Rate of \$119 +tax, which includes a complementary breakfast daily. For more information on program, contact Peter or Nanci Morris, 425-346-3165 nanciandpeter@gmail.com
