

The World Brotherhood Fund (WBF)

YMCA Alumni has fiduciary responsibility for the World Brotherhood Fund (WBF). The careful administration of WBF is expected to enable YMCA Alumni to fulfill the Fund's original purpose: *"to aid and support the World Alliance and its affiliated movements to respond through short term assistance and the support of long term solutions in developing countries that struggle with the urgent problem of unsecured retirement."*

The board approved a \$200,000 grant to the World Emergency Assistance Fund (Secours Speciaux) in spring 2020 to administer providing economic assistance to YMCA staff affected directly by the spread of COVID-19.
