The Florida Sandpaper is the newsletter of the C. B. Willis Chapter of YMCA Alumni and is published six times a year.

We are on a campaign to "open up" the YMCA Alumni membership to include each and every Y retiree living in our chapter's service area.

This is a special edition of the "Florida Sandpaper" emailed to alert you of our new FREE chapter membership for all Y retirees.

If you're not a member, please register so we can keep you connected with the Y, and your Y friends and past colleagues.

Even if you don't register to activate your chapter membership we want you to know that you are always welcome to participate in chapter activities in any way you wish.

If you already are a member, your chapter membership will be automatically renewed.

Our hope is to expand the base of Y retiree involvement—at whatever level you may desire. You can make the call. If you just want to receive the electronic editions of the

communications, that's okay. If you want to participate in chapter and/or national events, that's good too.

The burst of the electronic age has widened the scope of ways to maintain a connection between those of us who want to extend the fellowship and camaraderie from our career efforts into our retirement.

There are over 450 Y retirees in Florida—let's keep connected through the YMCA Alumni Association.

If you haven't done so, please go on line to the YMCA Alumni web page at ymcaalumni.org. It is full of interesting information with all the chapters and activities going on such as YMCA Alumni Travel Club trips, building homes for the poor in Don Gregorio in the Dominican Republic, chapter newsletters, a listing of the upcoming events on the Datebook, etc.

The YMCA Alumni is a great way

"Sandpaper" and other chapter com- to accomplish that goal.
