Reaffirming our Vision Statement

Reaching the Individual, Touching the Community, Serving the World

As we approach our Stewardship campaign, we want to take some time to reaffirm our Vision Statement. We are so extremely blessed in our congregation! We have the faith and determination that continues to energize us to be INVolved in ministries to allow us to live our vision in so many ways.

Each of us has the opportunity to be INcluded in several types of ministries and events: our community outreach with Matthew 25, Living Waters, and SOUL Pantry to name of few. Our annual VBS reaches into the neighboring communities to share God's teachings and unending love with the children.

There are so many possibilities to be INVolved in small groups. These groups provide much needed outreach in addition to getting to know each other on a deeper level. The Wizards are our build it/fit it experts; the Needles group keeps countless people clothed and warm. Come be a barista at the Java Café or attend a delicious Fellowship dinner.

Our Stephen Ministry team provides a much-appreciated ministry by staying IN tune with church members through their care, compassion, and prayers to anyone in need of their support.

John Wesley is our church; and we each have chosen to INvest our time and resources to bring our Vision Statement to life, spreading the Word and making disciples for Jesus.

As you consider your commitment for this coming year, prayerfully consider how you can continue to be INcluded, INVolved, IN tuned and INvested in John Wesley in order to support our facilities, our incredibly talented staff and live out our Vision Statement. We are a generous and faithful congregation with the heart and resources to be the light of Jesus in the lives of many. We all can make a difference!

Please bring your commitment card on October 5th; or if you are unable to attend, you can mail it to the church office or bring it in the next couple of weeks.

Thank you,

Your Stewardship Team
