Prayer Minister – Carol Walters

The 9:00 Sunday school class has converted half of Wesley Hall into two pickleball courts. We have three times reserved weekly for those of you who would like to join us. We're set up for Tuesdays and Thursdays from 4:00-6:00 and Saturdays from 10:00 to noon. You need to enter by the back Wesley Hall door, and ring the doorbell if you do not have a key. Contact Marilyn Shultz if you have questions.

Rev. Jenn Lucas serves as the District Superintendent to the Great Miami River District within the West Ohio Conference. She brings her passion for ministry and extensive experience to her role. She has been in ministry since 1997, serving a church in Perrysburg, Ohio, which happens to be her stomping grounds. Interestingly, she grew up in Toledo, Ohio. Her journey into ministry began when she was touring with a choir group called the Continental Singers, and she felt a divine tug on her heart, urging her to do more. Since then, she has been dedicated to serving her community and fostering spiritual growth in others.

Rev. Lucas will be here at John Wesley UMC on May 5, 2024, to give the Sunday message. Join us at 9:00 a.m. Java Cafe to welcome her.

BUILDING UPDATE – THE AED IN THE NARTHEX HAS BEEN REMOVED AND WILL BE REPLACED BY AN UPDATED VERSION AS SOON AS POSSIBLE.

The preschool has an AED Device on the wall in the hallway by Room 4 and that can be used if needed. The Narthex and Wesley Hall will have new AED devices. We will let you know the location of both devices as soon as they up and ready for use. Thank you!

Pastor Kalamba's Thursday Bible Study will resume on May 9th when he is back from this year's General Conference

Bible Study - May 9th-July 7th – Thursdays 10:00 a.m. & 7:00 p.m. Godspeed By MATT & JULIE CANLIS

Description: The Godspeed film follows the story of a young American pastor whose desire to change the world grinds to a halt in a slow Scottish parish. With the help of mentors Eugene Peterson and N. T. Wright, pastor Matt Canlis discovers how Jesus walked this earth at three miles an hour. He saved the world at a walking pace – a pace of knowing and being known. The Godspeed documentary challenges each Christian to live at Godspeed – a way of life that allows them to be face to face to their Lord, their neighbor, and themselves.

- The follow-on Videos & Study Guide dare us to live more deeply in our communities, knowing that our growth is not in size or numbers but in quality of life and relationships.
- Each member will need a personal copy of the Godspeed Eight-week Video & Study Guide, which includes space for personal reflection, Scripture meditation, and prayer.

In addition to the Godspeed Study Guide is Julie Canlis's book "A Theology of the Ordinary" where you can further explore the theology behind Godspeed.

Dear JWUMC Community,

First, thank you so much for your generosity in the last few months on our last trip to Forest Chapel, it took two cars to get everything over there! There were shoes, coats, scarves, jackets, and underwear. We received more women's clothing than men's.

Tuesday we took two stuffed boxes and one large plastic carry bag. We try to inspect everything before taking it over to be sure there are no tears or repairs needed. Thank you so much for your current donations of dresses, coats, spring jackets, underwear, and shirts. Again, we have gotten more women's clothes than men's clothing so if we could focus on men's items for now, that would be a blessing.

New call - for summer weight clothes. Please make sure that the items donated are washable and not dry clean only. Also, I'd suggest no women's shorts. I'm thinking that the women who need clothing are from a more conservative culture than here. We are still in desperate need of new packages of men's underwear size small and medium as well as men's pants in small and medium sizes.

Thank you so much for all of your help with this ministry!
Nikki Griffin
