WHY USE A REALTOR®?

Buying or selling a home can be one of the most exciting, and most stressful things you will ever do. The terminology, the paperwork, and the amount of investment can seem overwhelming. When you make the decision to use a REALTOR®, you can be sure that they will be looking after your best interests.

The term REALTOR® is a registered trademark, the use of which is earned by your real estate agent or broker through ongoing training and membership in the largest trade organization on the country, The National Association of REALTORS®.

Every member of the National Association of REALTORS® makes a commitment to adhere to a strict Code of Ethics, which is based on professionalism and protection of the public. The Code of Ethics is a promise—as a customer of a REALTOR®, you can expect honest and ethical treatment in all transaction-related matters.

If you want to be sure that you are dealing with a REALTOR®, visit our website at www.npsar.realtor to see a list of current local member offices, or look for an office that has earned the distinction of displaying the REALTOR® logo.
