

Mililani Crafters Group

The Mililani Crafters Group meets at the temple to make baby beanies, lap blankets and caps for cancer patients. Meetings are held every Monday, except on holidays between 9 to 11 a.m. The completed products are donated to the Hawaii Pacific Health Organization which usually provides two skeins of yarn every three months.

"Due to the many respiratory illnesses and allergies of our patients, we (Hawaii Pacific Health) ask that all fabrics and yarns are assembled and stored in a smoke-free and pet hair-free environment."

If interested, please contact Charlene Hayama at 808-623-4327 or char.hayama@gmail.com. We welcome people who are also interested in learning how to knit or crochet.
