

ORIGINS HIGH SCHOOL EST. MMXIII
**WHERE CHARACTER, CREATIVITY,
+CURIOSITY MEET**

Dear OHS Family,

My name is Ms. Gilma Argueta and I am the Parent Coordinator for Origins High School. My role at Origins is to provide support, information, and resources to assist parents in understanding their child's educational process. In partnership with parents, we support students in reaching their academic, physical, and social-emotional goals. As the parent of three graduates of neighborhood high schools, I understand the importance of this stage of a child's life. Together, we will address any concerns, apprehensions or questions you might have about our school community, systems or policies.

Family engagement is crucial for a child's academic success. Our Parents Association (PA) holds monthly meetings and several events and workshops throughout the year that may benefit your family. Joining the PA, or at least participating in a few events and regularly attending meetings, can build relationships that can help your child's future success.

I will be communicating regularly with you to keep you informed of events and activities in our school community and our neighborhood. You should expect updates via e-mail and through our "REMIIND APP". Please be sure to download the app onto your mobile phone. Also, please visit our school website originshighschool.org for important updates and sign up for our weekly newsletter. Other ways to stay in the know- Visit our [Padlet](#) board for all the latest highlights, events and announcements or follow us on social media, [Facebook](#), [Instagram](#), and [X](#).

Most importantly, parents please ensure your contact information is always current and updated. The best way to track your student's progress including grades, attendance, and more is to log on to your [NYC Schools Account](#). If you need an account creation code, please let me know.

Remember- You are the most vital team member in the academic and social success of your child.

Sincerely,
Gilma Argueta
