Volunteer Spotlight - Brandon
"BJ" Ashley

BJ is a licensed independent sales agent with Advocate Health Advisors working with many Medicare insurance carriers. BJ became a volunteer in February and says "his heart is serving low-income seniors in underserved markets and educating them about insurance options."

BJ says he loves delivering meals to seniors in his own community. It's his way of giving back.

Recently BJ coordinated with Humana and Lowes in Fern Park preparing 100 bags with sanitizing wipes, hand sanitizers and jar grip pads for our seniors. But he's not stopping there, he's already working on delivering another 300 bags to us.

Start where you are.
Use what you have.
Do what you can.
