We are pleased to start welcoming back several services. Many services were "on hold" or very limited during the pandemic and now we are able to re-open them to meet the needs of our clients.

Our goal is to return to somewhat of a normal environment while keeping everyone safe and comfortable.
We recently partnered with the Tuesday app, a digital marketplace designed to make it fun for donors to support their favorite non-profit organizations every day of the year. This app features easy-to-use virtual auctions and fundraising campaigns.

Donors can participate in fundraisers from any non-profit registered on the platform - which allows us to expand our audience of supporters.

We invite you to download the app today and look for future donation campaigns and auction items.

Volunteer Spotlight - Cheryl Outlin

Every Tuesday morning, Cheryl Outlin drives from Winter Springs to Sanford to pick up meals for her route. She has covered the same route for over five years and has formed a special bond with each of her clients.

Cheryl is “passionate” about being a volunteer. She enjoys seeing each of her clients every Tuesday, offering them encouragement, kind words and a welcoming smile. Cheryl says “I get more from them than they get from me delivering a meal.” She finds this experience very rewarding because the clients are so appreciative of what we do for them and they just want someone to inquire about them and how they are doing.

While the pandemic has limited the interaction and socialization part of Cheryl's volunteer role, it does not stop her. She greets each client with “How are you today?” and a smile. She is the eyes and ears for them and says, "I like to make them feel better if just for a second."

The staff at Meals on Wheels, Etc. extends our sincere thanks to Cheryl and all the volunteers who take time out of their lives to make a difference in the lives of our seniors. The volunteer experience can be one of the most rewarding feelings one can have.

For more information on the program and eligibility requirements, please contact our Home-Delivered Meals Coordinator, Rubie Pettway at 407-333-8877 ext.104 or send an email to rpettway@mealsetc.org.
Meals on Wheels, Etc. extends a big "thank you" to our supporters. It's because of corporations and individuals like "you" that enable us to continue our mission to serve so many Seminole County seniors healthy meals and support services they need.
