

October, 2024

Hello there,

The holiday season is quickly approaching, and we at Meals on Wheels, Etc., are planning our annual campaign to collect holiday gift baskets/bags for our seniors.

For many of our clients, this time of year can feel especially lonely. That's why we're reaching out to you with an opportunity to provide the gift that keeps on giving—the joy, love, and warmth that can brighten a senior's holiday season!

Join us in making each of our seniors feel cherished by contributing a gift basket/bag filled with thoughtful goodies for them to enjoy. This small act of kindness will continue to bring smiles and comfort well beyond the holiday season.

The gift baskets/bags will be distributed to hundreds of seniors on Christmas morning when we deliver their traditional Christmas dinner. What a blessing to not only get a delicious Christmas meal delivered to your home by a volunteer, but also a gift donated by their very own community.

Enclosed is a flyer with additional information. We hope we can count on you and/or your organization's support again this year. Please share this information with your family, friends, and co-workers, and include it in newsletters, bulletins and/or social media. Every little bit helps in spreading joy to those who need it most.

Please remember our seniors this holiday season, and we thank you for helping us make this possible. If you have any questions or need any additional information, please let us know.
