## **Congratulations!**

### **Volunteer of the Quarter**

### **April-June 2023**

Congratulations to April Dorsey, Volunteer of the Quarter. April has been a volunteer for a year and a half and delivers meals and a gorgeous smile to clients on two of our Sanford routes every Monday. April shares "I get to leave with hugs and I love yous. They just make my entire week".

April has always had a compassion for seniors. When she left the corporate world, she was able to commit time to making new friends with the Meals on Wheels, Etc. staff and clients.

For April's birthday, she wanted all of her friends to celebrate with her. So, she decided to make cupcakes. She hand-delivered a cupcake to each client with a candle. Her rule was, they had to sing happy birthday to her to receive a cupcake. They sang and she danced. Then they blew out the candle with their secret wish. Each received two cupcakes for celebrating her special day with her.

April's passion for her clients goes above and beyond. She is currently working with one of her clients who is a military veteran. She is helping him with paperwork to receive additional veteran benefits as part of the Aid and Attendance program. This assistance will aid him to get living assistance that he needs for his medical issues and daily living.

Thank you April for all you do for Meals on Wheels, Etc and for your care and compassion for our clients. Congratulations!

# Advent Health

A round of applause please for AdventHealth! The AdventHealth Corporate Services Team launched the Adopt-A-Route Program on May 8th. 30 employees of the Altamonte Springs location made a commitment to volunteer and deliver meals on their lunch hour to homebound seniors near their place of work.

Sometime finding time or opportunities when you work is hard, but many businesses make it easy for their staff to do just that. We are pleased to welcome AdventHealth to the program.

If you work for a company who is interested in this program, please contact us.
