THE OFFICIAL PUBLICATION OF THE DAYSPRING EMMAUS COMMUNITY OF  
SOUTHERN INDIANA

## *From the Community Lay Directory*

Hello Dayspring Emmaus brothers and sisters.

It is an exciting time for us as we draw near to having Walks again (and I know that LD's Tony and Karen are excited to see what God is doing as HE builds the teams and as HE orchestrates the walks and pilgrims)!

As your board president, I want you to know how much we the board loves you and that we pray for our community. We realize just how difficult of a season we are in. However, we also recognize that God is and has always been in complete control. God is not surprised by the happenings of our world. Our board prays often during our meetings. We ask God for his presence. We take time to worship Him. We pause for prayer throughout the meetings. We close each meeting with prayer. We do this for two purposes: 1. To be in the presence of God and 2. To gain God's wisdom as to what He wants so that we can join God in His work.

We are thankful that God has shown up in our meetings. Without His presence, our meetings would be in vain. And so, I leave you with a request...please join us in constant prayer for these walks.

1. Pray that God's name is hallowed and that His will be done here on earth as in heaven. Matthew 6:9-10
2. Pray for the board and teams of the walk to have God's wisdom as we serve on the upcoming walks. James 1:5
3. Pray for unity in the body of Christ. Ephesians 4:1-6

Love in Christ:

Craig Harris

BY TONY GUTERMUTH

Hello Emmaus Community! God willing, we are finally ready to welcome the Pilgrims to Walk 146 on March 31st and 147 the following week. It feels like it was years ago (it almost was!) that I got the call to prayerfully consider serving as Lay Director for this Walk. I was thinking recently about the fact that I've always been blessed to be able to say "yes" when it comes to serving on an Emmaus Walk. God has always given me a schedule that allowed me to participate when it comes to Emmaus. I hope that I will always be able to say "yes" when God comes asking if I am willing to serve Him on a Walk. I am firmly convinced that God has used the Walk to great effect for His Kingdom and pray that we faithfully can continue that tradition.

If you are reading this, you've been on the Walk. So, you know how special it truly is. When we put the cares of the world aside and focus on Christ for 3 days, we open ourselves to the work that He wants to do in us. We've experienced the transformation that happens through the Walk, and we want to be sure to offer this experience to others. If you haven't already done so, ask the Lord if there is someone that you are supposed to ask to attend this Walk. Let's not be stingy and keep this experience for ourselves! The Walk is an amazing tool that God uses to grow disciples who will have an eternal impact on many peoples' lives. If you don't feel lead to sponsor someone, ask God how else you might serve these Walks. He can do whatever He wants to do, but he uses these Walks to allow us to be a part of He is doing. Remember, Christ is counting on you!

Please lift up the teams and the pilgrims for the two upcoming walks in prayer. Pray that God will have His way with those of us who are serving, and those that He has determined should be on these Walks.

It is an honor and blessing to serve our Lord through the Emmaus community. I can't wait to see how He does what only He can do on these Walks! I am and will always be grateful that I had the opportunity to serve Him on this Walk.

Blessings to you and yours.

DeColores,

Tony Gutermuth

BY KAREN ELLIS

Hello My Emmaus Community,

The first time I heard about an Emmaus Walk was from my dear friend in Cincinnati. The year was 1995, she was battling another round of cancer and she told me about a weekend that was so wonderful, she couldn't explain it. When she told me the weekend was all about spending time with God. I knew then that I wanted to experience the same beautiful experience. Fast forward to 2007, I was hired at Wall St. United Methodist Church as the Nursery Director. Over the years, I had forgotten about the Emmaus Walk. In 2011, my friend, Circle sister and Wall St. member and I were talking and she mentioned the Emmaus Walk. I told her about my friend and desire to go on a walk and she said that she would sponsor me. I had heard a little bit about the weekend and was anxiously waiting to see what all the talk was about.

I was a Pilgrim on Walk #107. My name is Karen Ellis, and to say that weekend was the beginning of a wonderful change in my life is an understatement. I have always had the honor to serve on several Walks and RECS. God has blessed me and I don't want to disappoint Him by saying 'No' when the opportunity presents itself. When Tess Brunmeier asked me to serve on her clergy team, she asked if I had aspirations to be a Lay Director. I told her, 'No'. She explained that I wouldn't be able to serve as Lay Director, I was all right with the decision to serve as clergy. Last Spring, I received the call from Jerry Van Carlisle asking me to be Lay Director of the Fall Walk. When I told Jerry Van Carlisle that I had been told that once you serve as clergy, I couldn't be a Lay Director, he said, "let me check".

The rest is history, throughout this process God had a plan for me. As we embark on preparing to receive Pilgrims for Walk #147, I am continuously in awe of how our God works. Sixteen days out not only did God provide the last team member, filling my roster, God has opened the door for the amazing team of Walk #147 to bless, serve and love on 30 Pilgrims. We plan to bless them and help them focus more on God and hopefully transform their lives during the weekend away from their normal lives. My prayer is for them to walk away in total awe of what God can do for their lives.

I am so blessed to be a part of this wonderful DaySpring Community. It is with honor and joy that I am able to serve the Pilgrims and to serve God. to His glory. I am humbled beyond measure to be here serving God, the Pilgrims through this Community. Please continue to pray for the Pilgrims, their families and the team as we go through the weekend. Blessings to you today and always.

DeColores,

Karen J. Ellis,

### **What is a Reunion Group?**

The Emmaus group reunion is a small accountability group of two to twelve persons who have usually participated in the three-day Walk to Emmaus and who want to continue their pursuit of a life lived wholly in the grace of God. These small follow-up groups help pilgrims translate the message conveyed on the Walk to Emmaus weekend into a daily walk with Christ. With the regular support of a few faithful friends, the gift of God's love in Jesus Christ becomes a lifestyle of Christian discipleship through the threefold discipline of piety, study, and action. Group reunions meet at regular times, usually weekly for an hour. The meeting consists of persons' sharing the stories of their walk with Christ during the past week. Members listen to one another, celebrate the grace of God in each person's life, and reinforce each one's core commitment to living in union with Christ in all facets of daily life. Members express that reinforcement through gentle accountability, encouragement, and support of one's stated discipline and plans.
