## Community Lay Director's Letter

Dayspring Emmaus,

It has been a blast to serve as our community lay director. This has been 3 of the most memorable years I have ever seen. We have seen walks cancelled due to a world pandemic, we have changed camp locations twice, we have seen our country and world go through some the most darkest times I can remember. However Christ is still King and in control. If I can speak for the rest of the board members whom are also rotating off with me: Josh, Billy, Shannon, Jerry Van, it has been our goal, mission and desire to see Christ's name lifted up and made much of! In this time on the board while we did have to cancel walks we did not just sit idly by and do nothing, we took on some much needed goals and tried to tackle somethings we felt needed to be made. One of those things is the fact you can now fill out your pilgrims application online. You can pay for your pilgrims fees online, if you're a team member you can pay your fees online. Another thing we as a board made a discussion to move to Silver Heights while there are some growing pains, it is a delightful feeling to feel wanted by the camp, it is also and even more so important that the money spent to have the walk there is going to a facility that when we are not there spreads the Gospel of Christ to others. In the term as President I have learned so much and am thankful for the chance, I am very excited to see where the board and the community goes from here, I pray that we continue to keep Christ the main thing. I have and we as a community should have the utmost confidence in the remaining board. I would just want to close with this, please PRAY for the board because I know that they pray for you!

## FROM THE COMMUNITY SPIRITUAL DIRECTOR

### Choose Joy!

Choose Joy! Outrageous, contagious, spectacular joy!

Look how joy comes through the preaching of Christ in Samaria. The story starts with great persecution in Jerusalem. Acts 8:3 says Saul made havoc on the church entering every house and dragging off men and women, committing them to prison. The church was scattered and went everywhere preaching the word. Then Philip went down to Samaria and preached Christ to them. And multitudes, with one accord, heeded the things spoken by Philip hearing and seeing the miracles which he did. For unclean spirits, crying with a loud voice, came out of many who were possessed; and many who were paralyzed and lame were healed.

Acts 8:8 says, And there was great joy in that city. Joy that just jumps off the page. In the midst of all the persecution, joy fills the city. And not just joy, but great joy. Joy is a fruit of the Spirit.

If we are filled with His Spirit, joy should follow us at home, work, school, or play. I have a good friend from India, JT Norman, who has started over 100 churches. He also runs a bible school and an orphanage. He is great to be around because he is so full of love and joy. When he preaches he will preach a whole sermon with a big smile on his face. He is so connected to Christ that the fruit of the Spirit flows out of Him.

Nehemiah 8:10 says; the joy of the Lord is our strength. So how can we produce this joy? Some of us have been through extremely difficult things, some may be in a huge storm right now. God knows what you're going through and believe me He cares. But if we produce joy only when things are going well, how are we any different from those who do not know Christ. The joy I am speaking of comes from a source that is outside ourselves. According to John 15:15, Jesus is the vine; we are the branches and if we abide in Him and He in us, we will bear much fruit but without Him we can do nothing. A branch has to be connected to the vine continuously. It doesn't produce if it is cut off. We have to be in constant communion with Christ. Prayer is imperative. We have to stay connected. That's why 1st Thessalonians 5:16-17 says rejoice always, pray without ceasing. Joy is produced through being connected to the vine in continuous prayer. I think He is saying the phone line should never be broken. He is always in our hearts and minds. There are times of intense prayer and supplication, but even in good times we should always be aware of His presence. He is with us all the time. We should allow Him to speak to us through His word. Then be obedient. Remember, weeping may endure for a night, but joy comes in the morning.

Let His JOY flow!!!!

## FROM YOUR COMMUNITY LAY DIRECTOR—ELECT

Hello Dayspring Emmaus community! I am excited to serve this community for the next year. A little about me: I am married to my wife Carla Harris, and we have three adult children. I was the Lay Director of Walk 139. My original pilgrim walk was #26 held at O'Bannon Woods (Table of Luke... "CLAP").

I like many others was excited to see walks resume with the spring walks. God continues to move in a mighty way through the weekend experience. The goal of the Emmaus Board is simply this: To make much of Jesus! If there were no Jesus, there would not be a Walk to Emmaus. It's all about our Lord and Savior~ so let's endeavor to make much of Jesus.

Always remember: Christ is counting on you... (and I am counting on Christ)!

Craig Harris  
Community Lay Director—Elect

**What is a Reunion Group?** The Emmaus group reunion is a small accountability group of two to 12 persons who have usually participated in the three-day Walk to Emmaus and who want to continue their pursuit of a life lived wholly in the grace of God. These small follow-up groups help pilgrims translate the message conveyed on the Walk to Emmaus weekend into a daily walk with Christ. With the regular support of a few faithful friends, the gift of God's love in Jesus Christ becomes a lifestyle of Christian discipleship through the threefold discipline of piety, study, and action. Group reunions meet at regular times, usually weekly for an hour. The meeting consists of persons' sharing the stories of their walk with Christ during the past week. Members listen to one another, celebrate the grace of God in each person's life, and reinforce each one's core commitment to living in union with Christ in all facets of daily life. Members express that reinforcement through gentle accountability, encouragement, and support of one's stated discipline and plans. *Excerpted from The Group Reunion by Stephen D. Bryant.
