Barton & Cooney Completes SOC 2 Type II Audit

BURLINGTON, NJ – August 21, 2020 – Barton & Cooney LLC announced today it has successfully completed the Service Organization Control (SOC) 2 Type II audit.

The audit was conducted by an independent auditor, The Moore Group CPA, which verified that Barton & Cooney’s information security practices, policies, procedures, and operations meet the SOC 2 standards for security, availability, processing integrity, confidentiality, and privacy.

“Obtaining the SOC 2 certification demonstrates our ongoing commitment to applying industry-leading controls to all areas of our company,” said Patrick Doyle, President of Barton & Cooney. “A successful, independent SOC 2 audit is the best assurance we can give our customers that Barton & Cooney has the necessary controls in place to protect their data.”

To achieve SOC 2 Type II certification a company must complete an audit covering the following areas:

- Organization and management
- Communications
- Risk management and implementation of controls
- Monitoring of controls
- Logical and physical access controls
- System operations
- Change management
