Weanlings

Cuesta Omari, Cuesta Oliver, Cuesta Odie and Cuesta Oratia.

These 4 lovely boys were born in March/April 2019 and are nearly ready for castration. They are all halter trained and will eat out of your hand. Oliver and Omari are very sociable and have coped really well with the public at the Clevedon A&P Show and the Hunua Christmas Market. We have been using them with our farm tours and they are much loved. Oliver, Omari and Odie are jet black, Oratia has just a slight brown tinge to his fleece. These guys are a very tight group and we really want them to be sold together as a package. Price \$2,500 for all four, including GST, castration and local delivery. \$500 rebate if the purchaser takes out an annual subscription with The Lifestyle Vet (this is subject to acceptance of purchaser by The Lifestyle Vet).

2 Year Old Wethers

Cuesta [Nate](#) and Cuesta [Nemo](#).

Both Jet Black. Halter trained and quiet. Price \$500 each including delivery and GST. Rebate of \$150 each if the purchaser takes out an annual subscription with The Lifestyle Vet (this is subject to acceptance of purchaser by The Lifestyle Vet).
