

VULNERABLE ADULT POLICY

POLICY PURPOSE:

The Board of Trustees believes that the library should be accessible to physically and mentally challenged adults.

A vulnerable adult is an individual over the age of 18, who is mentally challenged to a degree that may impair that person's ability manage his/her behavior without assistance.

Physically challenged adults who are capable of providing for their own needs are welcome to use the library. If physical assistance is needed beyond the staff's scope of work, the individual must be assisted by a caregiver.
