

ANNUAL REPORT TO THE COMMUNITY

The Year in Review

So many changes at JBL in 2022! We created a new Tech Advisor position, and welcomed George Wyand to offer guidance on all things tech. We also welcomed back patrons for in-house events, while continuing to hold virtual and hybrid programs. Our Library of Things remained extremely popular, with the addition of outdoor games and tables for special events. Several community members donated items, including camping equipment, a keyboard, and a guitar. We continued our sustainability efforts, partnering with Print Releaf to plant trees to offset copy paper usage, and held our second annual community-wide tag sale! With each year, our commitment to community and sustainability grows.

2022 Statistics

3,457 CARD HOLDERS

9,827 WIFI CONNECTIONS

44,460 ITEMS CIRCULATED

18,354 WEBSITE VISITS

300 PASSPORT APPLICATIONS

36,500 LIBRARY VISITORS
