

We have set up two accounts for the Scholarship monies. The first account, "The Retirees' Association Scholarship Fund" currently holds a balance of \$250.00. It is from this account that we award our annual \$500.00 scholarship. The second account, "The Retirees' Endowment Scholarship" currently holds \$20,000.00. Beginning in 2022, the interest earned from this second account is awarded as a second scholarship to a second student. This second fund is like a savings account: we deposit all our donations to this account except for \$500 which allows us to help two students each year - one from each "account". We would like to take this opportunity to thank all of you who have donated to this cause either through a direct donation or by participating in our various fund raising activities. If you have any questions, please do not hesitate to contact us. Click the button to meet the most recent recipient. Click [here](#) to make a donation. Be sure to designate your donation to the Retirees Scholarship fund. Tax receipts issued for donations of \$20 or more more about what we do
